RE: Completion of Pavement at Pope Air Strip

I am just letting you know that we have completed our paving project on the air base and that all nuclear gauges have been removed from the job site. We only had these gauges in use on Feb. 19,20,21,22, and 23 and on March 6th and 7th. We would like to get credit for those days that was not used.

I would also like to thank you for your help and cooperation with our needs on such short notice. If you have any questions that I could help you with, please give me a call at (910) 303-9208
