Comments of Commissioner Nils J. Diaz on CR-00-0103 Revised

I agree with Commissioner Merrifield that this response should reflect the current staff decision regarding the restart of IP-2 and be a consolidated response to CR-00-0103 (revised) and CR-00-0118. I recommend that these CRs (CR-00-0103, revised and CR-00-0118) also address the July 11, 2000, letter from Congressman B. A. Gilman and Congresswomen S. Kelly and N. Lowey concerning IP-2 in the consolidated response, i.e., a separate letter would not be necessary.
