WORK AT THIS LOCATION OF USE IN NON-AGREEMENT STATES

19. CERTIFICATION (MUST BE COMPLETED BY APPLICANT)

I, THE UNDERSIGNED, HEREBY CERTIFY THAT:

a. All information in this report is true and complete.

b. I have read and understand the provisions of the general license 10 CFR 140.30 and the instructions of this form, and I understand that I am required to comply with these provisions as to all byproduct, source, or special nuclear material which I possess and use in non-agreement states or offshore waters under the general license for which this report is filed with the U.S. Nuclear Regulatory Commission.

c. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year. With the exception of work conducted by off-shore vessels, which is authorized for an unlimited period of time in the calendar year.

d. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

e. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

f. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

g. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

h. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

i. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

j. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

k. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

l. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

m. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

n. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

o. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

p. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

q. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

r. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

s. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

t. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

u. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

v. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

w. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

x. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

y. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

z. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

aa. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

ab. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

ac. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.

ad. I understand that this license, conducted in non-agreement states under general license 10 CFR 140.30, is limited to a total of two days in calendar year.

ae. I understand that I may be inspected by NRC at the above listed work site location and at the licensee home office address for activities performed in non-agreement states or offshore waters.

af. I understand that conduct of any activities not described above, including conducting activities at sites or locations different from those described above, requires separate NRC licensing and approval.
