Subject: Response to inquiry regarding legislative history and regulations for decommissioning

Beth,

We thank you for your interest in the regulation of the nuclear power industry. The Nuclear Regulatory Commission has a website <http://www.nrc.gov/> to assist you with your research project. Our webpage offers many sources of reference and should you require further information, you may contact the Office of Public Affairs at (301) 415- 8200.

Rebecca Lambert, OGC
