Subject: Westinghouse Electric Corp.
License No. 37-9442-4.
Category E(1) Priority II

On 5/20/68 a visit was made to the Westinghouse Electric Corp. with Will Pitts for the purpose of inspecting the subject and other licenses. During this visit it was determined that no material had been received nor was any material on hand under the subject license. No inspection was made of this license.

It is recommended that the license be removed from the listing of licenses due for inspection and that this license be rescheduled for inspection in 1 year (5/69).

Many please change due date to
5/69 & set up for a telephone call.
