SUBJECT: MEGARAD, INC., VOID OF APPLICATION FOR NEW LICENSE AND LICENSE
AMENDMENT, CONTROL NOS. 130771 AND 130772

Dear Mr. Balestracci:

This concerns the subject applications to terminate your storage activities in the State of Connecticut and to initiate storage activities in the Commonwealth of Pennsylvania. Ms. Kathy Dolce Modes of this office has left voice mail messages for you on February 28, 2002 and March 21, 2002, regarding additional information needed to complete this action. Specifically, our letter dated January 16, 2002 requested you follow the guidance in Section 8.9 of NUREG-1556, Volume 2. Your response dated February 28, 2002 did not follow the guidance and lacked a sketch of the facility and surroundings, location of entrance ways, visible-audible signal system and other information found in Section 8.9. Since you have not supplied the additional information required to complete the requested action for some time and since Megarad does not possess radioactive material, we have voided your application. This action is taken without prejudice to the resubmission of your request.

Sincerely,

Original signed by John D. Kinneman
