DECOMMISSIONING PLAN AND RADIOLOGICAL ASSESSMENT

Dear Mr. Allard:

This letter is to confirm that Cabot Corporation addressed concerns raised in your February 1, 2001 letter to NRC simultaneously with their response to the NRC December 27, 2000 request for additional information. Cabot's response was by letters dated February 15 and March 2, 2001, with Cabot's attached revision of the Revere Decommissioning Plan and Radiological Assessment (DP/RA). You should have received a copies of the Cabot letters and attachments. In a telephone call between Cabot, PADEP and NRC staff on February 13, 2001; it was agreed that Cabot would respond directly to both NRC and PADEP questions in this manner.

If you have any questions regarding this letter, please contact me at (301) 415-7875 or you may speak to Ted Smith at (301) 415-6721.
