SUBJECT: GAS CENTRIFUGE TRAINING COURSE

Dear Mr. Upson:

We very much appreciate your letter of March 7, 2002, in which you offered to provide a gas centrifuge training course for U.S. Nuclear Regulatory Commission staff. At this time, we are working with the U.S. Department of Energy to provide this training. However, we do have an interest in learning more about the Urenco technology that you propose to use in your upcoming license application. My staff will be contacting you to set up the needed meetings and site visits as part of the pre-application review process.

Sincerely yours,

/RA/
