Stephen,

I have a concurrence package for you, that I will drop by. It contains the FRN EA summary, EA, and SER.

This is the site which is scheduled to be removed from the SDMP this FY, so there is management focus on my end on the timing. I can provide you electronic copies of all if you so desire.

The absolutely last date we can have this OUT is the end of May, and I need a few days for management review.

Thanks,

Ted

P.S. I tried to call, but your phone forwarded to someone at Price-Coopers-Waterhouse.
