Good afternoon, Mr. Tchira!

I'm working on your request to amend the registration certificate no. NR-1145-D-101-E to include new manufacturing facility address in China.

In order to complete our review, we need the updated Quality Control Program for Litepro, LLC Model Teknolite Torch Sealed Source Device, Rev. 2 to reflect the new manufacturing facility address in China. Please provide a copy of the updated Q/C Program to us within thirty days of the date of this e-mail.

If you have any questions, please let me know.

Seung
