SUBJECT: PRESENTATION ON GUIDANT CORPORATION
GALILEO INTRAVASCULAR DEVICE

Dear Ms. Murphy:

Thank you for the informative presentation on intravascular brachytherapy that you presented at our Region I office on February 26, 2002. Your talk on cardiovascular radiation therapy using the Guidant Corporation Galileo intravascular device was appreciated by my staff and others in the Region who attended. We especially appreciated the opportunity for a discussion of the operation of the device and technical and safety issues related to its use.

Thank you again for your time and effort.

Sincerely,
