EX 7A

RI-2000-A-0142 Indian Point 2/3 OI 1.
10:45 a.m. Perry
Seabrook
Vermont Yankee
Turkey Point

A Williams Power home-office supervisor, makes occasional site visits and directs workers to perform "unsafe" work activities, in order to put contracted jobs back on schedule.

RELABEL FOR LATE JANUARY
3 QUARTERS FOR SCHMIDT TO ASIC

Within the last 2-years, home-office supervisor was at Indian Point, and directed workers to blow down a contaminated area with compressed air, to expedite the painting process. This resulted in 2 workers becoming internally contaminated.
