Re: Transmittal of Additional Proprietary Information,
NRC Docket No. 070-03098-ML

Please find attached the proprietary version of Hearing File Document # 95A
(correspondence from DCS to the NRC's Document Control Desk dated March 12, 2002).

The NRC recently updated the Hearing File in this proceeding, adding documents 95A, 97A, 98A, 99, and 100 through 112. Three of these documents—95A, 101, and 104—contain proprietary information. Documents 101 and 104, however, contain proprietary information that is identical to the information contained in a letter from DCS to the NRC dated February 11, 2002, which DCS provided to you by letter dated June 18, 2002. Accordingly, please find attached only the proprietary version of Hearing File Document # 95A.
