Attn: Chairman Meserve:

SERVED SEP 17 2002

All of the contentions filed by the
Mothers for Peace in the Diablo
Canyon Dry Cask storage waste
hearings should be considered
in full hearings.

Dry cask storage should not be
permitted at Diablo Canyon. In this
era of terrorism it only increases
the risk of a terrorist act.

No project is the answer. Our
country must stop producing
this deadly waste.

Sincerely,

Marie Cattoir

Re: storage of highly radioactive waste
at Diablo Canyon nuclear power plant.

We object to dry-cask storage at the
plant on the coast of San Luis Obispo
County & country. It is unsafe and
would be a great temptation to
terrorists to create a disaster on our
coast. Other areas should be investigated.

Yours truly,
