Dear Mr. Johnson:

It was a pleasure to meet with you Wednesday and learn more information regarding the safety of the uranium enrichment facility proposed to locate here in Hartsville.

I would like to take this opportunity to confirm our plans to have you address our County Commission. We will have a called meeting of our County Commission on Monday, October 21, at 7:00 p.m. in the upstairs courtroom of the County Courthouse. I expect there will be a large number of people in attendance as many of our citizens have concerns regarding the facility.

Thank you for taking the time to meet with us.

Sincerely,

Jerry Clift
County Executive
