Hartsville, TN 37074

November 10, 2002

Dear Mr. Cesar,

It is interesting to me that
the people who are so opposed
to the LES Uranium Plant
do not live here and are
"hippies who never got married".

Strang looking folk; One does
not wear shoes in winter.

I trust all will go well
to bring the facilities to
our area.

Thank you,

Eleanor W. Ford
