United States Nuclear Regulatory Commission

Case = T. J. Glickson (HCS)

Dear MR G,

Nov. 10, 2002

Thank You for this opportunity to  
comment on the AES white papers.

1.) Do not change the Rules,  
2.) Yes, AES must do a new environ-  
mental-impact statement relating  
to middle Tennessee & the surrounding  
area & state.

3.) Yes, Citizen Participation is Very  
Important - A Requirement.

If they can't meet the regular  
minimum-requirements, they should  
stop now, and not entertain any  
notions of being here in Tennessee,

Thank You, There is NO Reason  
your agency should even consider,  
changing the rules for AES. (bureau only)  
thanks,
