Subject: Dec. 4, 2002 Teleconference Re: Security Clearances (MOX FFFCAR Proceeding Docket No. 070-03098-ML)

Dear Judge Moore:

The Department of Energy has requested that the Board authorize two DOE representatives to listen into, but not participate in, the planned December 4 teleconference with the Board and the parties on the security clearance issues raised by the Board's November 20, 2002, Order. DCS has consulted with the NRC Staff and GANE's representative and neither objects to DOE's attendance on the call. Unless the Board directs otherwise, DCS will make the necessary arrangements to permit such involvement by the DOE representatives.

Thank you in advance for your consideration.
