Dear Mr. Delligatti:

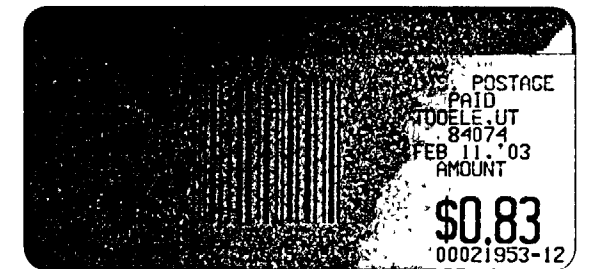

I received a copy of the Final Memorandum Of Agreement For The Proposed Private Fuel Storage Facility.

Although I was involved in the initial discussions regarding the Memo of Agreement relating to the Skull Valley facility, that occurred three years ago when I was the president of the National Lincoln Highway Association. I am no longer the president and do not believe it would be appropriate for me to sign the memo. Therefore I am returning the agreement to you unsigned.

The current president of the Lincoln Highway Association is James Ranniger. His postal address is PO Box 3905, Evergreen, CO 80437-3905. I should probably mention that his term as president expires this coming June.

Best regards,

Jesse G. Petersen
