Washington, D.C. 20555-0001

Subject: Transfer of SH-300 Series and LS-101 Device Certificates of Registration
from Active Status to Inactive Status.

Reference: Canberra Industries, Inc. letter dated August 21, 2002

Dear Mr. Ward:

Canberra Industries, Inc. offers the following information on your request for additional information for the transfer of Certificates of Registration for SH-300 Series & LS-101 devices from active to inactive status:

Canberra Industries, Inc. will keep on file the complete listing of all the source serial numbers of all the devices that were distributed and all the source serial numbers of the devices that are in our inventory.

Should you have any questions, please get in touch with the undersigned at 215-343-5901, extension 275.

Sincerely,
Canberra Industries, Inc.

T.W. Schwager
Radiation Safety Officer
