Kettle Falls, WA 99141

Secretary
U.S. Nuclear Reg. Comm
Wa., D.C. 20555

Attn: Rulemaking and
adjudications staff

Hi, Happy Spring! Do not
release any radio-active scraps
and waste into the resource stream
all such materials are hazards
of unprecedented proportion &
must be contained. Release for
use in consumer products &
landfills is tantamount to
distributing cancer & mutations
to the present and untold
millennium to come. Please think
of our children, the future. Do
not deregulate nuclear wastes.
TOMMY WALEN
