DOCKETED  
USNRC

**From:** Esther Frances Schrank <estherfrances@earthlink.net>  
**To:** <secy@nrc.gov>  
**Date:** Sun, Jun 8, 2003 7:30 PM  
**Subject:** radioactive materials in household items

June 9, 2003 (8:57AM)

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

i am against any recycling of radioactive materials. The danger is too great. we don't know that there is a safe zone of tolerance and we don't know the cumulative effect of this toxin mixed with other "low level" toxic contaminants. No this must not be allowed. Sincerely,  
Esther Frances, Kerhonkson, NY
