Subject: Filing in MOX CAR Proceeding, Docket No. 70-3098

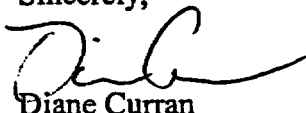

Dear Mr. Julian,

Yesterday, on behalf of Georgians Against Nuclear Energy, I filed GANE's opposition to a summary disposition motion by Duke Cogema Stone & Webster. Late in the day, I realized that I had served you with a Xeroxed copy of the opposition and supporting declarations, rather than the originals. In this package, I am enclosing the original signed copies of the opposition and the two supporting declarations by Dr. Edwin S. Lyman.

Please note that all three of these documents are marked confidential, because they may contain proprietary information.

I am also enclosing a revised cover sheet for the exhibits, which contains a correction to the description of Exhibit 1. Please substitute the revised cover sheet for the cover sheet that was filed yesterday.

Sincerely,

Diane Curran
