Subject: Nuclear Waste

June 16, 2003 (10:15AM)

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Dear Commission:

I personally support isolating nuclear waste from the public and environment. I support the prohibition of releasing radioactive wastes and materials into the marketplace. I support the prevention of additional radiation exposures. I support the demand that you stop poisoning us and the recycling industries with ANY level of radioactive contamination from nuclear power and weapons fuel chain activities.

Alexis Higginbotham
