June 6, 2003

Mr. Bruce Biwer
Argonne National Laboratory
1200 International Parkway
Woodbridge, IL 60517

Dear Mr. Biwer:

Mr. Tim Harris of the U.S. Nuclear Regulatory Commission asked me to forward documentation on the UFOTRI computer model to you. Enclosed for your use are the following documents:

- (1) UFOTRI: Program for Assessing the Off-Site Consequences from Accidental Tritium Releases (KfK 4605)
- (2) Description of the New Version 4.0 of the Tritium Model UFOTRI including User Guide (KfK 5194)
- (3) UFOTRI Computer Code (electronic) and
- (4) One related journal paper by Wolfgang Raskob.

Please call me at (202) 586-0750, or e-mail at Hitesh.Nigam@nnsa.doe.gov, if you need additional information.

Sincerely,

A handwritten signature in black ink, reading "Hitesh Nigam", is positioned above the typed name.

Hitesh Nigam
NEPA Compliance Officer
Office of Fissile Materials Disposition
