

DOCKET NUMBER
PROPOSED RULE **PR 20**

(68FR09595)

540

From: "Tim" <bereal@vermontel.net>
To: <secy@nrc.gov>
Date: Sun, Jun 22, 2003 6:28 PM
Subject: re-cycling nuclear waste

I am alarmed to hear that you are considering approving the re-cycling of nuclear waste for consumer use. I encourage you not to approve of such a move. Nuclear waste should be isolated and properly disposed of, not allowed to end up in landfills, incinerators, or consumer products.
