PROPOSED RULE PR 20****68FR09595**

**From:** Michal Pober <museum@alchemy.cz>  
**To:** Nuclear Regulatory Commission <secy@nrc.gov>

**Subject:** Don't recycle nuclear waste!

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

**DOCKETED  
USNRC**

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.
