Dear Mr. Remus:

Thank you for arranging for me and my staff to brief the Inyo County Supervisors at the June 3, 2003, Board Meeting.

We also appreciate the arrangements you made for the U.S. Nuclear Regulatory Commission's (NRC) June 4, 2003, public meeting in Tecopa, California and were pleased to meet with you. The purpose of this meeting was to provide an overview of the NRC's role in the potential licensing of a geologic repository at Yucca Mountain, and to discuss ground-water, transportation, and security issues.

We have an important role to play in protecting the health and safety of the people and the environment. We hope to return to Inyo County for future public meetings on other topics related to the proposed repository and NRC's role in ensuring public health and safety. We look forward to meeting with you again.

Sincerely,

/RA/
