**Response to Question Regarding Positions and Affiliations for
AmerGen Consolidation, LLC**

Operating Agreement
General Question 1.1

The following individuals are officers of AmerGen Energy Company, LLC. As Consolidation has been formed, the initial Managers are those of record as filed with the State of Nevada: J. Barry Mitchell, Treasurer; Thomas H. Weir, Vice President and Controller; and Charles S. Walls, Assistant Treasurer. In addition, AmerGen may name David A. Liskow as a Manager. Mr. Liskow is not an officer of AmerGen but supervises the day-to-day administrative duties of Consolidation and its subsidiary NQF LLCs. AmerGen may, from time-to-time, change the individuals named as Managers of Consolidation, but intends that the majority of the Managers of Consolidation shall at all times be individuals who also serve as officers of AmerGen.

ARTICLE I

[Intentionally Deleted]

ARTICLE II

Payments by the Trustee

Section 2.01. Use of Assets. The assets of each Fund shall be used exclusively (a) to satisfy, in whole or in part, any expenses or liabilities incurred with respect to the decommissioning of that Fund's Unit, including expenses incurred in connection with the preparation for decommissioning of that Unit, such as engineering and other planning expenses, and all expenses incurred after the actual decommissioning occurs, such as physical security and radiation monitoring expenses (the "Decommissioning Costs"), (b) to pay the administrative costs and other incidental expenses of each Fund, and (c) to invest in publicly-traded securities and investments (including common trust funds) as directed by the investment manager(s) pursuant to Section 3.02(a) or the Trustee pursuant to Section 3.02(b), except that all assets of the Qualified Funds must be invested in Permissible Assets as defined in the Special Terms. Except for investments tied to market indexes or other non-nuclear sector mutual funds, (1) the assets of the Funds shall not be invested in the securities or other obligations of AmerGen Energy Company, LLC, PECO Energy Company, British Energy, Inc., GPU, Inc., or affiliates thereof, or their successors or assigns; and (2) investments in any entity owning one or more nuclear power plants are prohibited. Use of the assets of the Qualified Funds shall be further limited by the provisions of the Special Terms. The assets of the Funds shall be used, in the first instance, to pay the expenses related to the decommissioning of that Fund's Unit, as defined by the United States Nuclear Regulatory Commission ("NRC") in its regulations and issuances, and as provided in the NRC issued license to operate each Unit and any amendments thereto. **[Notice to the NRC of proposed disbursements or payments from each Fund will be provided in accordance with the notice provisions of Section 2.02(b). Where the purpose of such proposed disbursement or payment either in whole or in part is for activities not**

within the NRC definition of decommissioning, that portion of the disbursement or payment shall be separately identified and accounted for in such notice.]

Section 2.02. Certification for Decommissioning Costs.

(a) If assets of a Fund are required to satisfy Decommissioning Costs of that Fund's Unit, Consolidation or the appropriate NQF Company, as the case may be, shall present a certificate substantially in the form attached hereto as Exhibit B-1 (in the case of Consolidation) or B-2 (in the case of the NQF Companies) to the Trustee signed ~~{by its Chairman of the Board,}~~ its President or one of its Vice Presidents and its Treasurer or an Assistant Treasurer, requesting payment from its Fund. Any certificate requesting payment by the Trustee to a third party or to Consolidation or the appropriate NQF Company from a Fund for Decommissioning Costs shall include the following:

(1) a statement of the amount of the payment to be made from the Fund and whether the payment is to be made from the Nonqualified Fund, the Qualified Fund or in part from both Funds;

(2) a statement that the payment is requested to pay Decommissioning Costs which have been incurred, and if payment is to be made from the Qualified Fund, a statement that the Decommissioning Costs to be paid constitute Qualified Decommissioning Costs, as defined in the Special Terms;

(3) the nature of the Decommissioning Costs to be paid;

(4) the payee, which **[may be a third party, or]** may be Consolidation or the appropriate NQF Company in the case of reimbursement for payments previously made or expenses previously incurred by Consolidation or the appropriate NQF Company for Decommissioning Costs;

(5) a statement that the Decommissioning Costs for which payment is requested have not theretofore been paid out of the Funds; and

(6) a statement that any necessary authorizations of the NRC and/or any other governmental agencies having jurisdiction with respect to the decommissioning have been obtained.

(b) ~~{No}~~ **[Except for disbursements of payments for administrative costs and other incidental expenses, no]** disbursements of payments for decommissioning costs from the Funds shall be made by the Trustee:

(1) unless the Trustee has first provided thirty (30) days' prior written notice of such disbursement or payment to the NRC Director, Office of Nuclear Reactor Regulation; and

(2) if the Trustee receives written notice of an objection from the NRC Director, Office of Nuclear Reactor Regulation during such thirty (30) day notice period, or if the Trustee receives such notice at any later time that is nevertheless prior to disbursement.

(c) The Trustee shall retain at least one copy of such certificates (including attachments) and related documents received by it pursuant to this Article II.

(d) Consolidation and the NQF Companies shall have the right to enforce payments from the Funds upon compliance with the procedures set forth in this Section 2.02.

Section 2.03. Administrative Costs. The Trustee shall pay, as directed by the appropriate NQF Company, the administrative costs and other incidental expenses of each Nonqualified Fund, including all federal, state, and local taxes, if any, imposed directly on the Nonqualified Fund or the income therefrom, legal expenses, accounting expenses, actuarial expenses and trustee expenses, from the assets of the respective Nonqualified Fund and shall pay, as directed by Consolidation, the administrative costs and other incidental expenses of each Qualified Fund, as defined in the Special Terms, from the assets of the respective Qualified Fund.

Section 2.04. Payments between the Funds. The Trustee shall make payments (i) from a Unit's Qualified Fund to that Unit's Nonqualified Fund provided such payments are in cash and are in accordance with Section 4 of the Special Terms or (ii) from a Unit's Nonqualified Fund to that Unit's Qualified Fund provided such payments are in cash and are in accordance with the contribution limitations set forth in Section 2 of the Special Terms, as the case may be, upon presentation by Consolidation and the appropriate NQF Company of a certificate substantially in the form of Exhibit C hereto executed by Consolidation or the appropriate NQF Company instructing the Trustee to make any such payments. The Trustee shall be fully protected in relying upon such certificate.

ARTICLE III **Concerning the Trustee**

Section 3.01. Authority of Trustee. The Trustee shall have the authority and discretion to manage and control the Funds to the extent provided in the Trust Agreements and these Master Terms but does not guarantee the Funds in any manner against investment loss or depreciation in asset value or guarantee the adequacy of the Funds to satisfy the Decommissioning Costs. The Trustee shall not be liable for the making, retention or sale of any asset of a Qualified Fund which qualifies as a Permissible Asset, as defined in the Special Terms, nor shall the Trustee be responsible for any other loss to or diminution of the Funds, or for any other loss or damage which may result from the discharge of its duties hereunder except for any action not taken in good faith.

Section 3.02. Investment of Funds. a) Consolidation and the NQF Companies shall have the authority to appoint one or more investment managers who shall have the power to direct the Trustee in investing the assets of the Funds; provided, however, that the Trustee shall not follow any direction which would result in assets of the Qualified Funds being invested in assets other than Permissible Assets as defined in the Special Terms. Any such investment manager(s) or other person directing investments made in the Trusts shall adhere to the "Prudent Investor" standard as specified in 18 C.F.R. 35.32(a)(3) of the Federal Energy Regulatory Commission ("FERC") regulations (the "Prudent Investor Standard"). To the extent that Consolidation and/or the NQF Companies choose to exercise this authority, Consolidation and/or

the appropriate NQF Company or Companies shall so notify the Trustee and instruct the Trustee in writing to separate into a separate account those assets the investment of which will be directed by each investment manager. Consolidation and the appropriate NQF Company or Companies shall designate in writing the person or persons who are to represent any such investment manager in dealings with the Trustee[, **provided however, that AmerGen, its affiliates, and its subsidiaries and persons representing them, shall not provide day-to-day management direction of investments or direction on individual investments to either the investment manager or the Trustee**]. Upon the separation of the assets in accordance with such instructions, the Trustee, as to those assets while so separated, shall be released and relieved of all investment duties, investment responsibilities and investment liabilities normally or statutorily incident to a trustee; provided, however, that the Trustee shall not be relieved of the responsibility of ensuring that assets of the Qualified Funds are invested solely in Permissible Assets, as defined in the Special Terms. The Trustee shall retain all other fiduciary duties with respect to assets the investment of which is directed by investment managers.

(a) Consolidation or the appropriate NQF Company or Companies shall notify the Trustee if the investment of assets of the Funds are not being directed by one or more investment managers under Section 3.02(a), and the Trustee shall hold, invest, and reinvest such assets as it in its sole discretion deems advisable, subject to the restrictions set forth herein for investment of the assets of the Qualified Funds and adherence to the Prudent Investor Standard; provided however, that in the event an investment manager terminates, or is terminated, Consolidation or the appropriate NQF Company or Companies shall use their best efforts to appoint an investment manager for those assets as soon as reasonably possible.

(b) Regardless of the person directing investments, any assets of the Qualified Funds shall be invested solely in Permissible Assets as defined in, and required by, the Special Terms, and shall be accumulated, invested, and reinvested in like manner. Upon the written consent of Consolidation, the assets of a Qualified Fund relating to a Unit may be pooled with the assets of any other Qualified Fund relating to any other Unit; provided that the book and tax allocations of the pooling arrangement are made in compliance with Code section 704 (and the Treasury Regulations thereunder) and provided further that such pooling arrangement elects to be classified as a partnership for federal income tax purposes.

(c) Notwithstanding any other provision of these Master Terms, with respect to the pooling of investments authorized by subparagraph (c) no part of any Fund's (or any subsequent holder's) interest in such pool, nor any right pertaining to such interest (including any right to substitute another entity for the Fund or for any subsequent holder, as holder of investments pooled pursuant to subparagraph (c)) may be sold, assigned, transferred or otherwise alienated or disposed of by any holder of an interest in the pool unless the written consent to the transfer of every other holder of interests in such pool is obtained in advance of any such transfer.

(d) Notwithstanding the provisions of subparagraph (d) of this Section, a Fund's investment in a pooled arrangement may be withdrawn from the pool (but not from the Trust Agreements, except as otherwise permitted by this Agreement) at any time upon 7 days written notice to the Trustee ~~{by the Fund}~~ **[signed by its President or one of its Vice Presidents and its Treasurer or an Assistant Treasurer]**. If the Fund withdraws its entire interest in a pool, the pooled arrangement shall terminate 30 days after notice of final withdrawal has been given

by any withdrawing Fund unless a majority in interest of the remaining Funds give their written consent to continue the pool within such 30 day period. If the pooled arrangement terminates, each Fund's assets will be segregated into a separate account under the Trust Agreements, and no further commingling may occur for a period of at least one year after such termination.

(e) Subparagraphs (c), (d) and (e) apply to transfers of interests within, and withdrawals from, the pooling arrangement. Nothing within these sections shall be interpreted to permit or to limit transfer of interests in, or withdrawals from, a Fund, which transfers and withdrawals are governed by other provisions of these Master Terms. In addition, the provisions of subparagraphs (c), (d) and (e) shall not limit the Trustee's authority to invest in permissible common or collective trust funds.

Section 3.03. Prohibition Against Self Dealing. Notwithstanding any other provision in this Agreement, the Trustee shall not engage in any act of self dealing as defined in section 468A(e)(5) of the Code and Treasury Regulations § 1.468A-5(b) or any corresponding future law or Treasury Regulation.

Section 3.04. Compensation. The Trustee shall be entitled to receive out of the Funds reasonable compensation for services rendered by it, as well as expenses necessarily incurred by it in the execution of the Trusts hereunder, provided such compensation and expenses qualify as administrative costs and other incidental expenses of a Qualified Fund, as defined in the Special Terms, with respect to any payment of compensation and expenses from that Qualified Fund. Consolidation and the NQF Companies acknowledge that, as part of the Trustee's compensation, the Trustee will earn interest on balances, including disbursement balances and balances arising from purchase and sale transactions. If the Trustee advances cash or securities for any purpose, including the purchase or sale of foreign exchange or of contracts for foreign exchange, or in the event that the Trustee shall incur or be assessed taxes, interest, charges, expenses, assessments, or other liabilities in connection with the performance of these Master Terms, except such as may arise from its own negligent action, negligent failure to act, or willful misconduct, any property at any time held for the Funds or the Trust Agreements shall be security therefor and the Trustee shall be entitled to collect from the Funds sufficient cash for reimbursement, and if such cash is insufficient, dispose of the assets of Consolidation and the NQF Companies held under the Trust Agreements to the extent necessary to obtain reimbursement. To the extent the Trustee advances funds to the Funds for disbursements or to effect the settlement of purchase transactions, the Trustee shall be entitled to collect from the Funds either (i) with respect to domestic assets, an amount equal to what would have been earned on the sums advanced (an amount approximating the "federal funds" interest rate) or (ii) with respect to nondomestic assets, the rate applicable to the appropriate foreign market.

Section 3.05. Books of Account. The Trustee shall keep separate true and correct books of account with respect to each Fund, which books of account shall at all reasonable times be open to inspection by Consolidation and each of the NQF Companies or its duly appointed representatives. The Trustee shall, upon written request of Consolidation or the appropriate NQF Company, permit government agencies, such as the NRC or the Internal Revenue Service, to inspect the books of account of each Fund. The Trustee shall furnish to Consolidation and each of the NQF Companies on or about the tenth business day of each month a statement for each Fund showing, with respect to the preceding calendar month, the balance of assets on hand at the

beginning of such month, all receipts, investment transactions, and disbursements which took place during such month and the balance of assets on hand at the end of such month. The Trustee agrees to provide on a timely basis any information deemed necessary by Consolidation or the NQF Companies to file the federal, state and local tax returns of Consolidation and the NQF Companies.

Section 3.06. Reliance on Documents. The Trustee, upon receipt of documents furnished to it by Consolidation and any of the NQF Companies pursuant to the provisions of these Master Terms, shall examine the same to determine whether they conform to the requirements thereof. The Trustee acting in good faith may conclusively rely, as to the truth of statements and the correctness of opinions expressed, on any certificate or other documents conforming to the requirements of these Master Terms. If the Trustee in the administration of the Funds, shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering any action hereunder, such matter (unless evidence in respect thereof is otherwise specifically prescribed hereunder) may be deemed by the Trustee to be conclusively provided or established by a certificate signed by the ~~{Chairman of the Board, the}~~ President or any Vice President of Consolidation or any of the NQF Companies, as the case may be, and delivered to the Trustee. The Trustee shall have no duty to inquire into the validity, accuracy or relevancy of any statement contained in any certificate or document nor the authorization of any party making such certificate or delivering such document, and the Trustee may rely and shall be protected in acting or refraining from acting upon any such written certificate or document furnished to it hereunder and believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee shall not, however, be relieved of any obligation (a) to refrain from self-dealing as provided in Section 3.03 hereof; (b) to ensure that all assets of the Qualified Funds are invested solely in Permissible Assets as defined in the Special Terms; or (c) to adhere to the Prudent Investor Standard if acting as manager.

Section 3.07. Liability and Indemnification. The Trustee shall not be liable for any action taken by it in good faith and without gross negligence, willful misconduct or recklessness and reasonably believed by it to be authorized or within the rights or powers conferred upon it by this Agreement and may consult with counsel of its own choice (including counsel for Consolidation and the NQF Companies) and shall have full and complete authorization and protection for any action taken or suffered by it hereunder in good faith and without gross negligence and in accordance with the opinion of such counsel, provided, however, that the Trustee shall be liable for direct damages resulting from investing assets of the Qualified Funds in other than Permissible Assets or from self dealing as provided in Section 3.03 hereof Provided indemnification does not result in self dealing under Section 3.03 hereof or in a deemed contribution to a Qualified Fund in excess of the limitation on contributions under Section 468A of the Code and the Treasury Regulations thereunder, AmerGen (as to both the Qualified Funds and the Nonqualified Funds), Consolidation (as to the Qualified Funds) and the NQF Companies (as to the Nonqualified Funds) hereby agree to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct, recklessness or bad faith on the part of the Trustee, arising out of or in connection with its entering into the Trust Agreements and carrying out its duties hereunder, including the costs and expenses of defending itself against any claim of liability, provided such loss, liability or expense does not result from investing assets of the Qualified Funds in other than Permissible Assets as defined in the Special Terms or from self dealing under Section 3.03 hereof, and provided further

that no such costs or expenses shall be paid if the payment of such costs or expenses is prohibited by Section 468A of the Code or the Treasury Regulations thereunder.

The Trustee shall not be responsible or liable for any losses or damages suffered by a Fund arising as a result of the insolvency of any custodian, subtrustee or subcustodian, except to the extent the Trustee was negligent in its selection or continued retention of such entity. Under no circumstances shall the Trustee be liable for any indirect, consequential, or special damages with respect to its role as Trustee.

Section 3.08. Resignation, Removal and Successor Trustees. The Trustee may resign at any time upon sixty (60) days' written notification to Consolidation and the NQF Companies. Consolidation and the NQF Companies may remove the Trustee for any reason at any time upon thirty (30) days' written notification to the Trustee. If a successor Trustee shall not have been appointed within these specified time periods after the giving of written notice of such resignation or removal, the Trustee or Consolidation and the NQF Companies may apply to any court of competent jurisdiction to appoint a successor Trustee to act until such time, if any, as a successor shall have been appointed and shall have accepted its appointment as provided below. If the Trustee shall be adjudged bankrupt or insolvent, a vacancy shall thereupon be deemed to exist in the office of Trustee and a successor shall thereupon be appointed by Consolidation and the NQF Companies. Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to Consolidation and the NQF Companies an appropriate written instrument accepting such appointment hereunder, subject to all the terms and conditions hereof, and thereupon such successor Trustee shall become fully vested with all the rights, powers, trusts, duties and obligations of its predecessor in trust under the Trust Agreements, with like effect as if originally named as Trustee thereunder. The predecessor Trustee shall, upon written request ~~{of Consolidation and the NQF Companies}~~ for payment of all fees and expenses [by Consolidation and the NQF Companies], deliver to the successor Trustee the corpus of the Funds and perform such other acts as may be required or be desirable to vest and confirm in said successor Trustee all right, title and interest in the corpus of the Funds to which it succeeds.

Section 3.09. Merger of Trustee. Any corporation or other legal entity into which the Trustee may be merged or with which it may be consolidated, or any corporation or other legal entity resulting from any merger or consolidation to which the Trustee shall be a party, or any corporation or other legal entity to which the corporate trust functions of the Trustee may be transferred, shall be the successor Trustee under the Trust Agreements and these Master Terms without the necessity of executing or filing any additional acceptance of the Trust Agreements of these Master Terms or the performance of any further act on the part of any other parties hereto.

ARTICLE IV

Amendments

Consolidation and the NQF Companies may amend these Master Terms and the Trust Agreements from time to time, provided such amendment does not cause the Qualified Funds to fail to qualify as nuclear decommissioning reserve funds under section 468A of the Code and the Treasury Regulations thereunder. These Master Terms and the Trust Agreements may not be amended so as to violate 468A of the Code or the Treasury Regulations thereunder. The Qualified Funds are established and shall be maintained for the sole purpose of qualifying as

nuclear decommissioning reserve funds under Section 468A of the Code and the Treasury Regulations thereunder. If the Qualified Funds would fail to so qualify because of any provision contained in the Trust Agreements or these Master Terms, the Trust Agreements and these Master Terms shall be deemed to be amended as necessary to conform with the requirements of Section 468A and the Treasury Regulations thereunder. If a proposed amendment shall affect the responsibility of the Trustee, such amendment shall not be considered valid and binding until such time as the amendment is executed by the Trustee. Notwithstanding any provision herein to the contrary, neither these Master Terms nor the Trust Agreements may be modified in any material respect without the prior written consent of the NRC Director, Office of Nuclear Reactor Regulation.

ARTICLE V

Powers of the Trustee and Investment Manager

Section 5.01. General Powers. The Trustee shall have and exercise the following powers and authority in the administration of the Funds only on the direction of an Investment Manager where such powers and authority relate to a separate account established for an Investment Manager, and in its sole discretion where such powers and authority relate to investments made by the Trustee in accordance with Section 3.02(b):

(a) to purchase, receive or subscribe for any securities or other property and to retain in trust such securities or other property;

(b) to sell, exchange, convey, transfer, lend, or otherwise dispose of any property held in the Funds and to make any sale by private contract or public auction; and no person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity, expediency or propriety of any such sale or other disposition;

(c) to vote in person or by proxy any stocks, bonds or other securities held in the Funds;

(d) to exercise any rights appurtenant to any such stocks, bonds or other securities for the conversion thereof into other stocks, bonds or securities, or to exercise rights or options to subscribe for or purchase additional stocks, bonds or other securities, and to make any and all necessary payments with respect to any such conversion or exercise, as well as to write options with respect to such stocks and to enter into any transactions in other forms of options with respect to any options which the Funds have outstanding at any time;

(e) to join in, dissent from or oppose the reorganization, recapitalization, consolidation, sale or merger of corporations or properties of which the Funds may hold stocks, bonds or other securities or in which it may be interested, upon such terms and conditions as deemed wise, to pay any expenses, assessments or subscriptions in connection therewith, and to accept any securities or property, whether or not trustees would be authorized to invest in such securities or property, which may be issued upon any such reorganization, recapitalization, consolidation, sale or merger and thereafter to hold the same, without any duty to sell;

(f) to enter into any type of contract with any insurance company or companies, either for the purposes of investment or otherwise; provided that no insurance company dealing with the Trustee shall be considered to be a party to the Trust Agreements and shall only be bound by

and held accountable to the extent of its contract with the Trustee. Except as otherwise provided by any contract, the insurance company need only look to the Trustee with regard to any instructions issued and shall make disbursements or payments to any person, including the Trustee, as shall be directed by the Trustee. Where applicable, the Trustee shall be the sole owner of any and all insurance policies or contracts issued. Such contracts or policies, unless otherwise determined, shall be held as an asset of the Funds for safekeeping or custodian purposes only;

(g) upon authorization of Consolidation or the appropriate NQF Company, to lend the assets of the Funds and, specifically, to loan any securities to brokers, dealers or banks upon such terms, and secured in such manner, as may be determined by the Trustee, to permit the loaned securities to be transferred into the name of the borrower or others and to permit the borrower to exercise such rights of ownership over the loaned securities as may be required under the terms of any such loan; provided, that, with respect to the lending of securities pursuant to this paragraph, the Trustee's powers shall subsume the role of custodian (the expressed intent hereunder being that the Trustee, in such case, be deemed a financial institution, within the meaning of section 101 (22) of the Bankruptcy Code); and provided, further, that any loans made from the Funds shall be made in conformity with such laws or regulations governing such lending activities which may have been promulgated by any appropriate regulatory body at the time of such loan;

(h) to purchase, enter, sell, hold, and generally deal in any manner in and with contracts for the immediate or future delivery of financial instruments of any issuer or of any other property and in foreign exchange or foreign exchange contracts; to grant, purchase, sell, exercise, permit to expire, permit to be held in escrow, and otherwise to acquire, dispose of, hold and generally deal in any manner with and in all forms of options in any combination.

Settlements of transactions may be effected in trading and processing practices customary in the jurisdiction or market where the transaction occurs. Consolidation and the NQF Companies acknowledge that this may, in certain circumstances, require the delivery of cash or securities (or other property) without the concurrent receipt of securities (or other property) or cash and, in such circumstances, Consolidation or the appropriate NQF Company, as the case may be, shall have sole responsibility for nonreceipt of payment (or late payment) by the counterparty.

Notwithstanding anything in these Master Terms to the contrary, the Trustee shall not be responsible or liable for its failure to perform under the Trust Agreements or these Master Terms or for any losses to the Funds resulting from any event beyond the reasonable control of the Trustee, its agents or subcustodians, including but not limited to nationalization, strikes, expropriation, devaluation, seizure, or similar action by any governmental authority, de facto or de jure; or enactment, promulgation, imposition or enforcement by any such governmental authority of currency restrictions, exchange controls, levies or other charges affecting the Funds' property, or the breakdown, failure or malfunction of any utilities or telecommunications systems; or any order or regulation of any banking or securities industry including changes in market rules and market conditions affecting the execution or settlement of transactions; or acts of war, terrorism, insurrection or revolution; or acts of God; or any other similar event. This Section shall survive the termination of the Trust Agreements.

Section 5.02. Specific Powers of the Trustee. The Trustee shall have the following powers and authority, to be exercised in its sole discretion with respect to the Funds:

(a) to appoint agents, custodians, subtrustees, depositories or counsel, domestic or foreign, as to part or all of the Funds and functions incident thereto where, in the sole discretion of the Trustee, such delegation is necessary in order to facilitate the operations of the Funds and such delegation is not inconsistent with the purposes of the Funds or in contravention of any applicable law. To the extent that the appointment of any such person or entity may be deemed to be the appointment of a fiduciary, the Trustee may exercise the powers granted hereby to appoint as such a fiduciary any person or entity **[(other than AmerGen or any other owner or operator of a power reactor or their subsidiaries, successors, or assigns or persons representing them)]**. Upon such delegation, the Trustee may require such reports, bonds or written agreements as it deems necessary to properly monitor the actions of its delegate;

(b) to cause any investment, either in whole or in part, in the Funds to be registered in, or transferred into, the Trustee's name or the names of a nominee or nominees, including but not limited to that of the Trustee or an affiliate of the Trustee, a clearing corporation, or a depository, or in book-entry form, or to retain any such investment unregistered or in a form permitting transfer by delivery, provided that the books and records of the Trustee shall at all times show that such investments are a part of the Funds; and to cause any such investment, or the evidence thereof, to be held by the Trustee, in a depository, in a clearing corporation, in book-entry form, or by any other entity or in any other manner permitted by law; provided that the Trustee shall not be responsible for any losses resulting from the deposit or maintenance of securities or other property (in accordance with market practice, custom, or regulation) with any recognized foreign or domestic clearing facility, book-entry system, centralized custodial depository, or similar organization;

(c) to make, execute and deliver, as Trustee, any and all deeds, leases, mortgages, conveyances, waivers, releases or other instruments in writing necessary or desirable for the accomplishment of any of the foregoing powers;

(d) to defend against or participate in any legal actions involving the Funds or the Trustee in its capacity stated herein, in the manner and to the extent it deems advisable;

(e) to form corporations and to create trusts, to hold title to any security or other property, to enter into agreements creating partnerships or joint ventures for any purpose or purposes determined by the Trustee to be in the best interests of the Funds;

(f) to establish and maintain such separate accounts in accordance with the instructions of Consolidation or the appropriate NQF Company, as Consolidation or the appropriate NQF Company, as the case may be, deem necessary for the proper administration of the Funds, or as determined to be necessary by the Trustee;

(g) to hold uninvested cash in its commercial bank or that of an affiliate, as it shall deem reasonable or necessary;

(h) to invest in any collective, common or pooled trust fund operated or maintained exclusively for the commingling and collective investment of monies or other assets including

any such fund operated or maintained by the Trustee or an affiliate. Consolidation or the appropriate NQF Company expressly understands and agrees that any such collective fund may provide for the lending of its securities by the collective fund trustee and that such collective fund's trustee will receive compensation for the lending of securities that is separate from any compensation of the Trustee hereunder, or any compensation of the collective fund trustee for the management of such collective fund. The Trustee is authorized to invest in a collective fund which invests in Mellon Financial Corporation stock in accordance with the terms and conditions of the Department of Labor Prohibited Transaction Exemption 95-56 (the "Exemption") granted to the Trustee and its affiliates and to use a cross-trading program in accordance with the Exemption. **[Trustee will notify Consolidation and the NQF Companies if the Exemption is modified or revoked.]** Consolidation or the appropriate NQF Company acknowledge receipt of the notice entitled "Cross-Trading Information," a copy of which is attached to this Agreement as Exhibit E;

(i) to invest in open-end and closed-end investment companies, including those for which the Trustee or an affiliate provides services for a fee, regardless of the purposes for which such fund or funds were created, and any partnership, limited or unlimited, joint venture and other forms of joint enterprise created for any lawful purpose; and

(j) to generally take all action, whether or not expressly authorized, which the Trustee may deem necessary or desirable for the protection of the Funds.

Notwithstanding anything else in the Trust Agreements or these Master Terms to the contrary, including, without limitation, any specific or general power granted to the Trustee and to the investment managers, including the power to invest in real property, no portion of the Funds shall be invested in real estate (except for investments tied to market indexes or other non-nuclear sector common trust funds or mutual funds). For this purpose "real estate" includes, but is not limited to, real property, leaseholds or mineral interests.

Section 5.03. The powers described in Section 5.02 may be exercised by the Trustee with or without instructions from Consolidation or the NQF Companies or a party authorized by Consolidation or the NQF Companies to act on its behalf, but where the Trustee acts on Authorized Instructions, the Trustee shall be fully protected as described in Section 3.07. All directions and instructions to the Trustee from an Authorized Party shall be in writing, by facsimile transmission, electronic transmission subject to the Trustee's practices, or any other method specifically agreed to in writing by Consolidation or the NQF Companies and the Trustee, provided the Trustee may, in its discretion, accept oral directions and instructions and may require confirmation in writing. Without limiting the generality of the foregoing, the Trustee shall not be liable for the acts or omissions of any person appointed under paragraph (a) of Section 5.02 pursuant to Authorized Instructions.

Section 5.04. The assets of the Funds shall not be invested in the securities or other obligations of AmerGen Generation Company LLC, AmerGen Energy Company, LLC, or affiliates thereof, or their successors or assigns as identified by Consolidation and the NQF Companies. Except for investments tied to market indexes or other non-nuclear sector mutual funds or common trust funds, the assets of the funds shall not be invested in the securities of any

entity owning one or more nuclear power plants, as identified by a source agreed to by the Trustee and Consolidation and the NQF Companies.

ARTICLE VI

Termination

A Unit's Qualified Fund shall terminate upon the earlier of either (i) substantial completion of decommissioning of that Fund's Unit, as defined in the Special Terms, or (ii) disqualification of that Unit's Qualified Fund by the Internal Revenue Service as provided in Treasury Regulations § 1.468A5(c) or any corresponding future Treasury Regulation. A Nonqualified Fund shall terminate upon termination by the NRC of that Unit's license. If a Qualified Fund termination occurs before the NRC terminates the respective Unit's operating license, the Trustee will adhere to Section 5.02(b) of these Master Terms. Upon the termination of any Fund, all of the assets of the terminated Qualified Fund shall be distributed to Consolidation, and all of the assets of the terminated Nonqualified Fund shall be distributed to the NQF Company that is the ~~{beneficiary}~~ [owner] of such Fund, except that if a Unit's Qualified Fund is terminated prior to the termination of a Unit's Nonqualified Fund, the assets of the terminated Qualified Fund shall be distributed to the Nonqualified Fund for the Unit that is held by the appropriate NQF Company.

EXHIBIT "A"

SPECIAL TERMS OF THE QUALIFIED NUCLEAR DECOMMISSIONING RESERVE FUNDS

The following Special Terms of the Qualified Funds (hereinafter referred to as the "Special Terms") will apply for purposes of these Master Terms. To the extent construed to be in conflict therewith, these Special Terms shall take precedence over the Master Terms. Capitalized terms shall have the same meaning as set forth in the Master Terms or the Trust Agreements:

Section 1. Definitions. The following terms as used in the Special Terms shall, unless the context clearly indicates otherwise, have the following respective meanings:

(a) "Administrative costs and other incidental expenses of the Qualified Funds" shall mean all ordinary and necessary expenses incurred in connection with the operation of the Qualified Funds, as provided in Treasury Regulations § 1.468A-5(a)(3)(ii)(A) or any corresponding future Treasury Regulation, including without limitation, federal, state and local income tax (including any Final Tax Liabilities), legal expenses, accounting expenses, actuarial expenses and trustee expenses.

(b) "Final Tax Liabilities" shall mean any and all tax liabilities determined to be owing but not paid out of the assets of any of the Seller's or Transferor's Qualified Fund related to each unit prior to the transfer of the assets of the Seller's or Transferor's Qualified Fund to the Qualified Fund.

(c) "Final Tax Refunds" shall mean any and all tax refunds determined to be receivable but not collected by the Seller's or Transferor's Qualified Fund prior to the transfer of the assets of the Seller's or Transferor's Qualified Fund to the Qualified Funds.

(d) "Permissible Assets" shall mean any investment permitted for a qualified nuclear decommissioning reserve fund under section 468A of the Code and the Treasury Regulations thereunder, subject to the restrictions provided in Section 5.04 of the Agreement.

(e) "Qualified Decommissioning Costs" shall mean all expenses otherwise deductible for federal income tax purposes without regard to section 280B of the Internal Revenue Code of 1986, as amended, or any corresponding section or sections of any future United States internal revenue statute (the "Code"), incurred (or to be incurred) in connection with the entombment, decontamination, dismantlement, removal and disposal of the structures, systems and components of a Unit when it has permanently ceased the production of electric energy, excluding any costs incurred for the disposal of spent nuclear fuel, as provided in Treasury Regulations § 1.468A-1(b)(5) or any corresponding future Treasury Regulation. Such term includes all otherwise deductible expenses to be incurred in connection with the preparation for decommissioning, such as engineering and other planning expenses, and all otherwise deductible expenses to be incurred with respect to a Unit after the actual decommissioning occurs, such as physical security and radiation monitoring expenses.

(f) "Seller's or Transferor's Qualified Fund" shall mean the trust established and maintained for any respective unit that qualified as a nuclear decommissioning reserve fund under Code section 468A prior to the sale or transfer of such unit.

(g) "Substantial completion of decommissioning" shall mean the date that the maximum acceptable radioactivity levels mandated by the NRC with respect to a decommissioned nuclear power plant are satisfied by the Unit; provided, however, that if Consolidation requests a ruling from the Internal Revenue Service, the date designated by the Internal Revenue Service as the date on which substantial completion of decommissioning occurs shall govern; provided, further, that the date on which substantial completion of decommissioning occurs shall be in accordance with Treasury Regulations § 1.468A-5(d)(2) or any corresponding future Treasury Regulation.

Section 2. Contributions to a Qualified Fund. The assets of the Qualified Funds shall be contributed by Consolidation (or by others approved by Consolidation in writing) from time to time in cash. The Trustee shall not accept any contributions for the Qualified Funds other than cash payments with respect to which Consolidation is allowed a deduction under section 468A(a) of the Code and Treasury Regulations §1.468A-2(a) or any corresponding future Treasury Regulations, except for any Final Tax Refunds. Consolidation hereby represents that all contributions (or deemed contributions), except for any Final Tax Refunds, by Consolidation to the Qualified Funds in accordance with the provisions of Section 1.03 of the Agreement shall be deductible under section 468A of the Code and Treasury Regulations §1.468A-2(a) or any corresponding future Treasury Regulation or shall be withdrawn pursuant to Section 4 hereof.

Section 3. Limitation on Use of Assets. The assets of the Qualified Funds shall be used exclusively as follows:

(a) To satisfy, in whole or in part, the liability for Qualified Decommissioning Costs through payments by the Trustee pursuant to Section 2.02 of the Master Terms; and

(b) To pay the administrative costs and other incidental expenses of the Qualified Funds; and

(c) To the extent the assets of the Qualified Funds are not currently required for (a) and (b) above, to invest directly in Permissible Assets.

Section 4. Transfers by Consolidation. If Consolidation's contribution (or deemed contribution) excluding any Final Tax Refunds to the Qualified Funds in any one year exceeds the amount deductible under section 468A of the Code and the Treasury Regulations thereunder, Consolidation may instruct the Trustee to transfer such excess contribution from a Unit's Qualified Fund to that Unit's Nonqualified Fund, as defined in the Trust Agreements and these Master Terms, pursuant to Section 2.04 of the Master Terms, provided any such transfer occurs on or before the date prescribed by law (including extensions) for filing the federal income tax return of the Qualified Funds for the taxable year to which the excess contribution relates for withdrawals pursuant to Treasury Regulations §§1.468A-5(c)(2) and 1.468A-2(f)(2) and occurs on or before the later of the date prescribed by law (including extensions) for filing the federal income tax return of the Qualified Funds for the taxable year to which the excess contribution relates or the date that is thirty (30) days after the date that Consolidation receives the ruling

amount for such taxable year for withdrawals pursuant to Treasury Regulations § 1.468A-3(j)(3). If Consolidation determines that transfer pursuant to this Section 4 is appropriate, Consolidation shall present a certificate so stating to the Trustee signed by its ~~{Chairman of the Board, its}~~ President or one of its Vice Presidents and its Treasurer or an Assistant Treasurer, requesting such withdrawal and transfer. The certificate shall be substantially in the form attached as Exhibit C to the Master Terms for transfers to Nonqualified Funds as provided in Section 2.04 of the Master Terms and substantially in the form of Exhibit D to the Master Terms for withdrawals and transfers by Consolidation.

Section 5. Taxable Year/Tax Returns. The accounting and taxable year for the Qualified Funds shall be the taxable year of Consolidation for federal income tax purposes. If the taxable year of Consolidation shall change, Consolidation shall notify the Trustee of such change and the accounting and taxable year of the Qualified Funds must change to the taxable year of Consolidation as provided in Treasury Regulations § 1.468A-4(c)(1) or any corresponding future Treasury Regulation. Consolidation shall assist the Trustee in complying with any requirements under section 442 of the Code and Treasury Regulations §1.442-1. Consolidation shall prepare, or cause to be prepared, any tax returns required to be filed by the Qualified Funds, and the Trustee shall sign and file such returns on behalf of the Qualified Funds. The Trustee shall cooperate with Consolidation in the preparation of such returns.

EXHIBIT “E”

CROSS-TRADING INFORMATION

As part of the cross-trading program covered by the Exemption for the Trustee and its affiliates, the Trustee is to provide to each affected Trust the following information:

I. The existence of the cross-trading program

The Trustee has developed and intends to utilize, wherever practicable, a cross-trading program for Indexed Accounts and Large Accounts as those terms are defined in the Exemption.

II. The “triggering events” creating cross-trade opportunities

In accordance with the exemption three “triggering events” may create opportunities for cross-trading transactions. They are generally the following (see the Exemption for more information):

- A. A change in the composition or weighting of the index by the independent organization creating and maintaining the index;
- B. A change in the overall level of investment in an Indexed Account as a result of investments and withdrawals on the account’s opening date, where the Account is a bank collective fund, or on any relevant date for non-bank collective funds; provided, however, a change in an Indexed Account resulting from investments or withdrawals of assets of the Trustee’s own plans (other than the Trustee’s defined contribution plans under which participants may direct among various investment options, including Indexed Accounts) are excluded as a “triggering event”; or
- C. A recorded declaration by the Trustee that an accumulation of cash in an Indexed Account attributable to interest or dividends on, and/or tender offers for, portfolio securities equal to not more than 0.5% of the Account’s total value has occurred.

III. The pricing mechanism utilized for securities purchased or sold

Securities will be valued at the current market value for the securities on the date of the crossing transaction.

Equity securities - the current market value for the equity security will be the closing price on the day of trading as determined by an independent pricing service; unless the security was added to or deleted from an index after the close of trading, in which case the price will be the opening price for that security on the next business day after the announcement of the addition or deletion.

Debt securities - the current market value of the debt security will be the price determined by the Trustee as of the close of the day of trading according to the Securities and Exchange Commission's Rule 17a-7(b)(4) under the Investment Company Act of 1940.

Debt securities that are not reported securities or traded on an exchange will be valued based on an average of the highest current independent bids and the lowest current independent offers on the day of cross-trading. The Trustee will use reasonable inquiry to obtain such prices from at least three independent sources that are brokers or market makers. If there are fewer than three independent sources to price a certain debt security, the closing price quotations will be obtained from all available sources.

IV. The allocation methods

Direct cross-trade opportunities will be allocated among potential buyers or sellers of debt or equity securities on a pro rata, basis. With respect to equity securities, please note the Trustee imposes a trivial share constraint to reduce excessive custody ticket charges to participating accounts.

V. Other procedures implemented by the Trustee for its cross-trading practices

The Trustee has developed certain internal operational procedures for cross-trading debt and equity securities. These procedures are available upon request.

WITNESSETH:

WHEREAS, AmerGen is the owner in whole or in part of each of the Units ("Unit" shall mean each, and "Units" shall mean all, of the nuclear power plants listed on the Schedule A attached to this Agreement (as that Schedule may be supplemented from time to time by the NQF Companies by written notice to the Trustee). Each unit of a multi-unit nuclear power plant site shall be considered as a separate Unit for the purposes of this Agreement); and

WHEREAS, the Amended and Restated Agreement provides for trusts for the exclusive purpose of providing for the decommissioning of the Units, which trusts consisted of qualified nuclear decommissioning funds (the "Qualified Funds") under section 468A of the Internal Revenue Code of 1986, as amended (the "Code") and nonqualified nuclear decommissioning trusts (the "Nonqualified Funds"), the Qualified Funds and the Nonqualified Funds may hereinafter be referred to collectively as the "Funds"; and

WHEREAS, AmerGen, the NQF Companies and the Trustee wish that this Agreement shall amend and restate the Amended and Restated Agreement with respect to the Nonqualified Trusts [in such a way that nothing in this Agreement is intended to conflict with or override the applicable licenses or the applicable regulatory requirements of the NRC, the IRS and other regulators]; and

WHEREAS, AmerGen and the NQF Companies wish that the Trustee continue to serve as trustee of the Nonqualified Funds.

NOW, THEREFORE, to provide for the maintenance of the Nonqualified Funds, the making of payments therefrom and the performance of covenants by the NQF Companies and the Trustee set forth herein, AmerGen has previously sold, assigned, set over and pledged unto the Trustee, and to the Trustee's successors and its assigns, and the Trustee has acknowledged receipt of the funds representing the initial funding of and any additional contributions to the Nonqualified Funds.

ARTICLE 1

PURPOSES OF THE FUNDS

The Nonqualified Funds shall be maintained separately at all times in the United States pursuant to this Agreement. The Trustee shall maintain such records as are necessary to reflect each Nonqualified Fund separately on its books from each other Nonqualified Fund, and shall create and maintain such subaccounts within each Nonqualified Fund as the relevant NQF Company shall direct. In performing its duties under this Agreement, the Trustee shall exercise the same care and diligence that it would devote to its own property in like circumstances.

Section 1.02. Purposes of the Funds. The Nonqualified Funds are established for the exclusive purpose of providing funds for the decommissioning of the Units. The Nonqualified Fund for a Unit shall accumulate all contributions (whether from the relevant NQF Company or others) which do not satisfy the requirements for contributions to the Qualified Fund for that Unit, pursuant to Section 2 of the Special Terms contained in Exhibit A to the Master Terms. None of the assets of the Nonqualified Funds shall be subject to attachment, garnishment, execution of levy in any manner for the benefit of creditors of a NQF Company or any other party.

Any terms capitalized and not defined herein shall have the meaning set forth in the Master Terms.

ARTICLE II **DISTRIBUTIONS**

Section 2.01. Distributions. Upon receipt of written instructions from a NQF Company, and pursuant to the terms of Article II of the Master Terms, the Trustee shall distribute all or a portion of the Nonqualified Fund of which such NQF Company is ~~{a beneficiary}~~ [an owner] to such NQF Company[, Consolidation or a third party].

ARTICLE III **TERMINATION**

Section 3.02. Distribution of Trust Upon Termination. Upon termination of all or a portion of a Nonqualified Fund, the Trustee shall assist ~~{the Investment Manager}~~ in liquidating assets of such trust (if so directed by the relevant NQF Company), and distributing the then-existing assets of the Fund (either the liquidation proceeds or the Fund assets-in-kind, including accrued, accumulated and undistributed net income) less final Fund administration expenses (including accrued taxes paid directly to a taxing authority) to such NQF Company, provided, however, that no such distribution shall be made unless the Trustee has received an opinion of legal counsel of such NQF Company stating that such distribution does not violate any Order, and that the requirements of Article VI of the Master Terms have been met.

Section 4.05. Contractual Income. The Trustee shall credit the Nonqualified Funds with income and maturity proceeds on securities on the contractual payment date net of any taxes or upon actual receipt as agreed between the Trustee and the NQF Companies. To the extent the NQF Companies and the Trustee have agreed to credit income on the contractual payment date, the Trustee may reverse such accounting entries with back value to the contractual payment date if the Trustee reasonably believes that such amount will not be received by it.

Section 4.06. Contractual Settlement. The costs of liquidation shall be borne as a Company expense. Until final distribution, the liquidator shall continue to operate the Company properties with all of the power and authority of the Member. The steps to be accomplished by the liquidator are as follows:

9.2.1 as promptly as possible after dissolution and again after final liquidation, the liquidator shall cause a proper independent accounting to be made by a recognized firm of certified public accountants of the Company's assets, liabilities, and operations through the last day of the calendar month in which the dissolution occurs or the final liquidation is completed, as applicable;

9.2.2 the liquidator shall apply the assets of the Company remaining after payment of the costs and expenses of winding up in the following priority:

9.2.2.1 to the creditors of the Company, other than the Member, all amounts due them from the Company in the order of priority established by law;

9.2.2.2 to the Member, all amounts due the Member in repayment of any loans to the Company; and

9.2.2.3 the remainder to the Member.

9.3 Articles of Dissolution. On completion of the distribution of Company assets as provided herein, the Company is terminated, and the Member (or such other person or persons as the Act may require or permit) shall file an Articles of Dissolution with the Secretary of State of Nevada, cancel any other filings made on behalf the Company, and take such other actions as may be necessary to terminate the Company.

Article 10

General Provisions

10.1 Offset. Whenever the Company is to pay any sum to the Member, any amounts the Member owes the Company may be deducted from that sum before payment.

10.2 Notices. Except as expressly set forth to the contrary in this Agreement, all notices, requests or consents provided for or permitted to be given under this Agreement must be in writing and must be given either by depositing that writing in the United States mail, addressed to the recipient, postage paid, and registered or certified with return receipt requested or by delivering that writing to the recipient in person, by courier or by facsimile transmission; and a notice, request or consent given under this Agreement is effective on receipt by the person to receive it. All notice, requests and consents to be sent to the Member must be sent to or made at the addresses given for the Member as the Member may specify by notice to the Company. Any notice, request, or consent to the Company must be given to the Member. Whenever any notice is required to be given by law, the Articles or this Agreement, a written waiver thereof, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

10.3 Entire Agreement; Supersedure. This Agreement constitutes the entire agreement of the Member relating to the Company and supersedes all prior contracts or agreements with respect to the Company, whether oral or written.

10.4 Effect of Waiver or Consent. A waiver or consent, express or implied, to or of any breach of default by any person in the performance by that person of his, her or its obligations with respect to the Company is not a consent or waiver to or of any other breach or default in the performance by that person of the same or any other obligations of that person with respect to the Company. Failure on the part of a person to complain of any act of any person or to declare any person in default with respect to the Company, irrespective of how long that failure continues, does not constitute a waiver by that person of his, her or its rights with respect to that default until the applicable statute-of-limitations period has run.

10.5 Amendment or Modification. This Agreement may be amended only upon approval of the Member. Provided, however, that no material amendment to this Agreement may be made without the prior written consent of the NRC Director, Office of Nuclear Reactor Regulation. The Member may make only ministerial changes in this Agreement for the purpose of correcting errors and inconsistencies and to comply with federal, state and local rules, regulations and laws.

10.6 Binding Effect. Subject to the restrictions on Disposition set forth in this Agreement, this Agreement is binding on and inures to the benefit of the Member and its respective heirs, legal representatives, successors, and assigns.

10.7 Governing Law; Severability. THIS AGREEMENT IS GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEVADA, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION. In the event of a direct conflict between the provisions of this Agreement and (a) any provision of the Articles, or (b) any mandatory

provision of the Act, or the applicable provision of the Articles, then the Act shall control. If any provision of this Agreement or the application thereof to any person or circumstance is held invalid or unenforceable to any extent, the remainder of this Agreement and the application of that provision to other persons or circumstances is not affected thereby and that provision shall be enforced to the greatest extent permitted by law.

10.8 Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all signing parties had signed the same document. All counterparts shall be construed together and constitute the same instrument.

10.9 Expenses and Reimbursements. The Company shall bear (or reimburse the Member for its payment of) all costs and expenses of every kind and description incurred in connection with the organization, operation, liquidation and dissolution of the Company including, but not limited to, travel expenses; fees of consultants, accountants, and attorneys; expenses of the preparation of financial statements, any audit, and tax returns, interest on indebtedness and expenses for financing commitments; and fees and expenses incurred in any litigation by or against the Company.

IN WITNESS WHEREOF, the parties have signed this Agreement as of the date first written above.

5.4 Allocations of Income, Losses, Deductions and Credits. Income, losses, deductions and credits of the Company shall be allocated to the Member.

Article 6 Managers

6.1 Management by Managers.

6.1.1 Except for situations in which the approval of the Member or the prior written consent of the NRC Director, Nuclear Reactor Regulation is required by this Agreement or by nonwaivable provisions of applicable law, and subject to the provisions of Section 6.1.2, the powers of the Company shall be solely exercised by or under the authority of, and the business and affairs of the Company shall be managed under the direction of, a majority of the total number of Managers (provided that so long as there are only two Managers, then all decisions must be unanimous). The Managers may make all decisions and take all actions for the Company not otherwise provided for in this Agreement. Except as specifically limited in this Agreement, it is intended that the Managers shall have the authority, right, power, duty, and obligation to make the decisions and take the actions necessary in connection with planning, developing, operating, and maintaining the business of the Company, to effectuate the purposes of the Company and to designate the Officers to manage the day-to-day affairs of the Company.

No Person or governmental body dealing with the Company shall be required to inquire into, or to obtain any other documentation as to, the authority of the Managers to take any such action permitted under this Section.

6.1.2 Notwithstanding the provisions of Section 6.1.1, the Managers may not cause the Company to do any of the following without the written approval of the Member.

6.1.2.1 Commence or settle any material litigation or arbitration;

6.1.2.2 Adopt or change any accounting principle which will have a material effect on the Company's operating income;

6.1.2.3 Any act in contravention of this Agreement;

6.1.2.4 Any act which would make it impossible to carry on the ordinary business of the Company;

6.1.2.5 Possess property of the Company or assign the Company's rights in specific property for other than Company purposes;

6.1.2.6 Cause the Company to take any action enumerated in Section 2.4;
and

6.1.2.7 Any act in contravention of the terms of the Qualified and Non Qualified Trust Agreements.

6.1.3 The Managers shall inform the Member of any written communication between the NRC and Trustee of the Qualified or Non Qualified Trust Agreements.

6.2 Covenants of the Managers. The Managers shall devote such time, effort, and attention as may be reasonably necessary, advisable, or appropriate to manage and direct the operations, business and affairs of the Company; provided, however, subject to any duty to the Company or covenant not to compete a Manager may be subject to or where such activity will negatively impact the Company, that nothing contained herein shall preclude the Managers from acting, consistent with the foregoing, as a director, officer, or employee of any corporation, a manager, officer or employee of any limited liability company, a trustee of any trust, a member of any other limited liability company, a partner of any other partnership, or an administrative official of any business entity, from receiving compensation for services with respect to, or participating in profits derived from, the activities and properties of any such corporation, limited liability company, trust, partnership, or business entity, or from investing in any securities for his or her own account.

6.3 Other Activities of the Managers. This Agreement shall not preclude or limit, in any respect, the right of the Managers to engage or invest, directly or indirectly, in any business, venture, or other activity of any nature or description, subject to Section 6.2 and any covenant not to compete the Manager may be subject to, and the Managers shall have no obligation to offer any such business, venture or other activity to the Company. Neither the Company nor any Member shall have any right, by virtue of this Agreement or the relationship created hereby, in such investments or to such other business, venture or other activity. The Managers shall have the right to take for their own account (individually or in any other capacity) or to recommend to others any investment opportunity subject to any applicable covenant not to compete with the Company.

6.4 Identity of Managers. The initial Managers are named in the initial Articles. The Member shall have the right to remove any Manager at its will, with or without cause, immediately upon notice to the Manager and shall have the right to appoint any person as a Manager. At each annual meeting the Member shall elect one or more Managers to hold office until the next succeeding annual meeting. Unless removed in accordance with this Agreement, each Manager shall hold office for the term for which such person is elected and until such person's successor shall be elected and qualified. Any vacancy in the number of managers occurring for any reason shall be filled by the Member. A Manager elected to fill a vacancy shall be elected for the unexpired term of the predecessor in office.

6.5 Meetings of Managers.

6.5.1 Unless otherwise required by law or provided in the Articles or this Agreement (including without limitation Section 6.1.2), a majority of the total number of Managers of the Company shall constitute a quorum for the transaction of business of the Managers, and the act of a majority of the total number of Managers shall be the act of the Manager. A Manager who is present at a meeting of the Managers at which action on any Company matter is taken shall be presumed to have assented to the action unless his or her dissent shall be entered in the minutes of the meeting or unless he or she shall file

his or her written dissent to such action with the person acting as secretary of the meeting before the adjournment thereof or shall deliver such dissent to the Company immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Manager who voted in favor of such action.

6.5.2 Meetings of the Managers may be held at such place or places as shall be determined from time to time by resolution of the Managers; provided however that all meetings of the Managers must be wholly conducted in person within the States of Nevada, Illinois and/or Delaware and any meeting held or action taken not in full compliance of this proviso shall be void and of absolutely no force or effect. At all meetings of the Managers, business shall be transacted in such order as shall from time to time be determined by resolution of the Managers. Attendance of a Manager at a meeting shall constitute a waiver of notice of such meeting, except where a Manager attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

6.5.3 Special meetings of the Managers may be called by any Manager on at least twenty-four (24) hours' notice to each other Manager. Such notice need not state the purpose or purposes of, nor the business to be transacted at, such meeting, except as may otherwise be required by law or provided for by the Articles or this Agreement.

6.5.4 The Managers shall cause a written record of all meetings and written consents of the Managers to be produced and maintained.

6.6 Action by Written Consent or Telephone Conference. Any action permitted or required by the Act, the Articles or this Agreement to be taken at a meeting of the Managers may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a majority of the total number of Managers, provided however that any such written consent must be executed within the States of Nevada, Illinois and/or Delaware by a majority of the total number of Managers, and any written consent executed not in full compliance of this proviso shall be void and of absolutely no force or effect.. Such consent shall have the same force and effect as a majority vote of the total number of Members at a meeting held in the State of Nevada and may be stated as such in any document or instrument filed with the Secretary of State of Nevada, and the execution of such consent shall constitute attendance or presence in person at a meeting of the Managers. Subject to the requirements of the Act, the Articles or this Agreement for notice of meetings, unless otherwise restricted by the Articles or this Agreement, Managers may participate in and hold a meeting by means of a conference telephone or similar communications equipment from locations in the States of Nevada, Illinois, and/or Delaware by means of which all persons participating in the meeting can hear each other, and participation in such meeting shall constitute attendance and presence in person at such meeting, except where a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

6.7 Compensation. The Company shall not pay any compensation to the Managers for their services as Managers. The Managers shall be entitled to be reimbursed for reasonable

out-of-pocket costs and expenses incurred in the course of their service hereunder.

6.8 Officers. The Managers shall designate one or more persons to be Officers of the Company as set forth in Section 6.8.1 and may enter into employment agreements with such persons on behalf of the Company. No Officer need be a resident of the State of Nevada or a Manager. Any Officers so designated shall have such authority and perform such duties as are generally set forth in Section 6.8.1 and specifically delegated to them, from time to time, by the Managers, subject to and in compliance with any employment contracts validly existing between Company and any Officer. Unless the Managers decide otherwise, if the title is one commonly used for officers of a business corporation formed under Chapter 78 of the Nevada Revised Statutes, the assignment of such title shall constitute the delegation to such Officer of the authority and duties that are normally associated with that office, subject to any specific delegation of authority and duties made to such Officer by the Managers pursuant to this Section. Each Officer shall hold office until his or her successor shall be duly designated and shall qualify or until his or her death or until he or she shall resign or shall have been removed in the manner hereinafter provided. The same person may not serve as every Officer of the Company. Reasonable salaries or other compensation, if any, of the Officers and agents of the Company shall be fixed from time to time by the Managers.

Any officer may resign as such at any time subject to the terms and conditions of any employment agreement that such officer may have entered into with the Company. Such resignation shall be made in writing and shall take effect at the time specified therein, or if no time be specified, at the time of its receipt by the Managers. The acceptance of a resignation shall not be necessary to make it effective, unless expressly so provided in the resignation. Any officer may be removed as such, at the will of the Managers or the Manager who made the appointment, either with or without cause; provided, however, that such removal shall be without prejudice to the contract rights, if any, of the person so removed. Designation of an officer shall not of itself create contract rights. Any vacancy occurring in any office of the Company may be filled by the Managers.

6.8.1 President. The president shall have general supervision over the business and operations of the Company, subject however, to the control of the Managers. The president shall sign, execute and acknowledge, in the name of the Company, deeds, leases, contracts or other instruments, authorized by the Managers, except in cases where the signing and execution thereof shall be expressly delegated by this Section 6.8 to some other Officer or agent of the Company; and, in general, shall perform all duties incident to the office of president and such other duties as from time to time may be assigned by the Managers.

Vice Presidents. The vice presidents shall perform the duties of the president in the absence of the president and such other duties as may from time to time be assigned to them by the Managers or the president

Secretary. The secretary or an assistant secretary shall attend all meetings of the Managers and shall record all the votes of the Managers and the minutes of the Manager meetings and written consents in a book or books to be kept for that purpose; shall see

that notices are given and records and reports properly kept and filed by the Company as required by law; shall be the custodian of the seal of the Company and see that it is affixed to all documents to be executed on behalf of the company under its seal; and, in general, shall perform all duties incident to the office of the secretary, and such other duties as may from time to time be assigned by the Managers or the president.

Treasurer. The treasurer or an assistant treasurer shall have or provide for the custody of the funds of the Company other than funds held under the Non Qualified Trust Agreements and the Qualified Trust Agreements; shall collect and receive or provide for the collection and receipt of moneys earned by or in any manner due to or received by the Company; shall deposit all funds in his or her custody as treasurer in such banks or other places of deposit as the Managers may from time to time designate; shall, whenever so required by the Managers, render an account showing all transactions as treasurer, and the financial condition of the Company; and, in general, shall discharge such other duties as may from time to time be assigned by the Managers or the president.

Article 7

Actions of the Member

Any actions required or permitted to be taken by the Member shall be taken, without prior notice, and without a vote, by a consent in writing, setting forth the action so taken, signed within the States of Nevada, Illinois or Delaware by an authorized representative of the Member and any written consent signed by such authorized representative not in full compliance with this proviso shall be void and of absolutely no force or effect. Every written consent shall bear the date of signature of the Member and must be delivered to the Company's registered office, its principal place of business, or the Managers. Delivery shall be by hand, facsimile or certified or registered mail, return receipt requested. Delivery to the Company's principal place of business shall be addressed to the Managers. A facsimile, telegram, telex, cablegram or similar transmission by the Member, or a photographic, photostatic, or similar reproduction of a writing signed by the Member, shall be regarded as signed by the Member for purposes of this Section provided that the original consent was signed within the States of Nevada, Illinois or Delaware.

Article 8

Indemnification by the Company

8.1 Indemnification. The Member, Managers, and any officer, employee or agent of the Company may, in the Member's absolute discretion, be indemnified by the Company to the fullest extent permitted by the Act, as the same exist or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than said law permitted the Company to provide prior to such amendment) and as may be otherwise permitted by applicable law.

8.2 Appearance as a Witness. Notwithstanding any other provision of this Article 8, the Company may pay or reimburse expenses incurred by a Manager or an officer in connection with his or her appearance as a witness or other participation in a Proceeding at a time when he

or she is not a named defendant or respondent in the Proceeding.

8.3 Insurance. The Company may purchase and maintain insurance, at its expense, to protect itself and any person who is or was serving as a Manager, officer, employee or agent of the Company or is or was serving at the request of the Company as a manager, director, officer, partners, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic limited liability company, corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise against any expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under this Article 8.

Article 9

Financial Accounting and Reports

9.1 Tax Returns. The Managers shall cause to be prepared and filed all necessary federal and state income tax returns for the Company. The Member shall furnish to the Managers all pertinent information in its possession relating to Company operations that is necessary to enable the Company's tax returns to be prepared and filed.

9.2 Tax Elections. The Company shall make any election the Managers may deem appropriate and in the best interests of the Company and the Member.

9.3 Tax Matters Partner. If applicable, the Member shall be the "Tax Matters Partner" of the Company pursuant to Code Section 6231(a)(7). In the event of an income tax audit of the Company or any judicial or administrative proceeding in connection with the income tax returns of the Company, the Tax Matters Partner shall be authorized to act for and, to the extent provided by the Code, its decision shall be binding upon the Company and the Member.

9.4 Valuation. The valuation of the assets of the Company for the purpose of valuing distributions in kind made pursuant to this Agreement and for any other purpose shall be the fair market value as determined by the Managers in good faith, and such determination will be binding on the Member.

9.5 Supervision; Inspection of Books. Proper and complete books of account of the business of the Company shall be kept under the supervision of the Managers at the principal place of business of the Company. Such books shall be open to inspection by the Member, or its accredited representatives, at any reasonable time during normal business hours.

9.6 Quarterly Reports. The Managers shall transmit to the Member after the close of each fiscal quarter in accordance with the practice of the Member, summary financial information of the Company and its trust funds prepared in accordance with the accounting method used for reporting for federal income tax purposes consistently applied from its books without audit and subject to year-end adjustments.

9.7 Annual Report; Financial Statements. The Managers shall transmit to the Member after the close of each fiscal year, in accordance with the practice of the Member,

financial statements of the Company and its trust funds prepared in accordance with the accounting method used for reporting for federal income tax purposes consistently applied, including an income statement for the year then ended and a balance sheet as of the end of such year. The Member, upon reasonable notice to the Managers, may require that such financial statements include footnotes or be audited with footnotes.

9.8 Withholding.
