Subject: Don't recycle nuclear waste!

744

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

DOCKETED  
USNRC

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

June 23, 2003 (4:02PM)

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.
