

**DOCKET NUMBER
PROPOSED RULE PR 20****68FR09595**

From: Sue Morris <suereel@meadowdance.org>
To: Nuclear Regulatory Commission <secy@nrc.gov>
Date: Mon, Jun 23, 2003 12:30 PM
Subject: Stop nuclear waste recycling

(773)

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

**DOCKETED
USNRC**

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise --
in any form -- allowed to come into contact with our people, our air, our soil, or our
environment.

June 23, 2003 (4:02PM)

Decades of experience with nuclear waste and byproducts have shown that they are
unspeakably dangerous! Please do not relax your standards or allow these wastes to be
recycled or re-used, period.

**OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF**

Sincerely,

Sue and John Morris
