To the NRC:

DOCKETED
USNRC

You have asked for comments concerning the control of nuclear waste of various kinds.

June 24, 2003 (9:02AM)

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

Sincerely,

Allan Raymond
