SUBJECT: SUMMARY OF THE MAY 20, 2003, PUBLIC MEETING MEETING ON THE
DEVELOPMENT OF PROPOSED RULE TO AMEND TRAINING AND
EXPERIENCE CRITERIA IN 10 CFR PART 35 FOR RECOGNITION OF
SPECIALTY BOARD CERTIFICATIONS

Attached is a summary of the public workshop held at NRC headquarters in Rockville, Maryland, on May 20, 2003. The purpose of the meeting was to obtain input from professional specialty boards and other interested stakeholders to help the NRC staff in preparing a proposed rule to amend 10 CFR Part 35, "Medical Use of Byproduct Material." The rulemaking is being conducted to amend NRC regulations for medical use of byproduct material to address issues related to training and experience associated with recognition of specialty boards by the NRC. The meeting was announced in a notice published in the Federal Register on April 23, 2003 (68 FR 20034).

The attached summary describes the manner in which the meeting was conducted and highlights key points raised during the workshop. The meeting summary includes three appendices: (A) roundtable participant list, (B) a list of other attendees, and (C) an agenda.
