Subject: 1981/1983 Policy Statement re Agreement State Applications

Dear Ms. Maupin,

There are three _Federal Register_ notices (FRNs) pertinent to applications for Agreement State status regarding the NRC Policy Statement "Criteria for Guidance of States and NRC in discontinuance of NRC Regulatory Authority and Assumption Thereof by States Through Agreement." These are:

1. 46 Fed. Reg. 7540 (January 23, 1981)
2. 46 Fed. Reg. 36969 (July 16, 1981)
3. 48 Fed. Reg. 33376 (July 21, 1983)

I was not able to find a link to these FRNs on the OSTP web site. They are not listed in BK-100, where I would expect to find them. Although referenced in SA-700, they did not seem to be in the appendices. Perhaps they are part of another document on your web site.

Could you please point me to these FRNs if they are on your web site. If they are not there, would you please send me a couple of copies of these FRNs. Also, I think it would be good if there were links to these documents in the BK-100 list, since they are still applicable.

Thank you,

Sarah Fields

Subject: [Fwd: 1981/1983 Policy Statement re Agreement State Applications]

Dear Ms. Maupin:

I have not yet received a reply to this request for information.

It would be very helpful if I had a copy of the referenced _Federal Register_ notices, as they relate to a current application before the OSTP for an amended agreement from the State of Utah.

Thank you,

Sarah Fields
