June 23, 2003

Martin J. Virgilio, Director
Office of Nuclear Material Safety and Safeguards
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Virgilio:

Terumo Medical Corporation hereby submits this letter of compliance in response to the issuance of the Order dated June 6, 2003 for Compensatory Measures and Modified Handling Requirements for the Protection of Certain Safeguards Information (SGI-M).

To the best of my knowledge based upon a careful review of the appropriate documentation, Terumo Medical Corporation has established procedures and policies that meet or exceed the requirements defined in the above stated Order. Copies of these documents will be provided upon request and in accordance with SGI-M.

Terumo Medical Corporation will continue to establish further enhancements as deemed appropriate to assure continued compliance with all regulatory requirements and provide assurance that the public health, safety, common defense and security are adequately protected in the current threat environment.

Sincerely,

Tammy Moore
