Re: Private Fuel Storage - Docket No. 72-22-ASLBP No. 97-732-02

Dear Mr. Julian:

Today, Private Fuel Storage, L.L.C. is filing two versions of Applicant's Reply to State of Utah's Response to Applicant's Motion For Clarification and/or Reconsideration: a proprietary version and a non-proprietary version. The proprietary version contains confidential commercial and financial information concerning the terms of the PFS Model Service Agreement (previously provided by PFS to the Licensing Board and the Staff and the State) under which PFS would provide spent fuel storage services. For the reasons previously set forth in the 2.790 declarations of John D. Parkyn, Chairman of PFS, of September 28, 2000 and December 4, 2000, PFS requests that the NRC treat the proprietary version of Applicant's Motion as confidential information under 10 C.F.R. § 2.790.

If you have any questions, please contact me at (202) 663-8429.

Sincerely,

D. Sean Barnett
