

DOCKET NUMBER
PROPOSED RULE PR 20

68FR09595

From: Mrs Kelly Lewellyn <kelbrad@comcast.net>
To: Nuclear Regulatory Commission <secy@nrc.gov>
Date: Fri, Jun 27, 2003 3:50 AM
Subject: Stop nuclear waste recycling

1833

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

Sincerely,

Mrs. Kelly Lewellyn
Tucson, AZ 85750

DOCKETED
