

**DOCKET NUMBER
PROPOSED RULE PR 20****68FR09595****1786**

From: Marilyn Z Lubell <marilynz@aol.com>
To: Nuclear Regulatory Commission <secy@nrc.gov>
Date: Thu, Jun 26, 2003 4:42 PM
Subject: Don't recycle nuclear waste!

**DOCKETED
USNRC**

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

June 27, 2003 (10:25AM)

I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.

**OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF**

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

Sincerely,

Marilyn Z Lubell
