

**DOCKET NUMBER
PROPOSED RULE PR 20****68FR09595**

From: "Adele Rustino" <arustino@cs.w.org>
To: <secy@nrc.gov>
Date: Fri, Jun 27, 2003 4:57 PM
Subject: nuclear waste

1900

Dear Secretary, Please take action to prohibit release of radioactive wastes and materials from nuclear power and weapons into the marketplace for unrestricted or conditional uses; prevent additional radiation exposures rather than justifying them with computer codes and dose modeling. Stop poisoning us with any level of radioactive contamination from nuclear power and weapons fuel chain activities. There is no safe ionizing radiation dose above naturally occurring background. Thank you very much, Adele Rustino
