

**DOCKET NUMBER  
PROPOSED RULE PR 20****68FR09595**

**From:** Kathleen Halbert <chefleenie@hotmail.com>  
**To:** Nuclear Regulatory Commission <secy@nrc.gov>  
**Date:** Sat, Jun 28, 2003 4:20 AM  
**Subject:** Stop nuclear waste recycling

**2067**

To the NRC:

You have asked for comments concerning the control of nuclear waste of various kinds.

*I am horrified at any hint that nuclear wastes might be recycled, reused, or otherwise -- in any form -- allowed to come into contact with our people, our air, our soil, or our environment.*

Decades of experience with nuclear waste and byproducts have shown that they are unspeakably dangerous! Please do not relax your standards or allow these wastes to be recycled or re-used, period.

Sincerely,

Kathleen Halbert  
714 Desire St  
New Orleans, LA 70117
