

**DOCKET NUMBER
PROPOSED RULE PR 20****68FR09595**

From: Minya <minya9@earthlink.net>
To: <secy@nrc.gov>
Date: Sun, Jun 29, 2003 5:29 PM
Subject: No Nuclear Waste in the Marketplace

2405

Dear NRC,

I urge you to vote against recycling radioactive materials into consumer goods, building materials, etc.
Even slight potential for health risks makes this a terrible idea. Would you want your child or grandchild to sleep in a radioactive crib?

Thank you,
Kit Zimmerman
108 Horner St.
Belen, NM 87002
