

## DOCKET NUMBER

PROPOSED RULE PR 20

68FR09595

**From:** Mike Pesa <mpesa@kent.edu>  
**To:** <secy@nrc.gov>  
**Date:** Mon, Jun 30, 2003 4:03 PM  
**Subject:** No nuclear waste in consumer products!

Nuclear waste does not belong in consumer products, no matter how small the quantities are. I urge you to oppose any policies that would allow the placement of nuclear waste in consumer products. The American people deserve better.

Thank you for your consideration. Please let me know what your decision is.

Sincerely,

Michael Pesa  
318 Lake St. #2, Kent, OH 44240
