Re: California Public Utility Commission, et. al., v. United States Nuclear Regulatory Commission, Docket No. 02-72735.

Dear Sir or Madam,

I recently received an "Order Setting Assessment Conference," dated August 30, 2002, in the above referenced case. Attached to the Order is a list of conference participants. I am writing to update this list so that it accurately reflects those attorneys who will represent the Nuclear Regulatory Commission in this proceeding.

The list currently includes William H. Briggs, Jr., Esq., and Lawrence J. Chandler, Esq. Mr Briggs is no longer employed by the NRC, and Mr. Chandler oversees internal agency adjudications. Please delete these names from the list, and add the following:
