Re: Order Settling Assessment Conference In Case No. 02-72735, California
Public Utility Commission, et al., v. Nuclear Regulatory Commission

Dear Mediation Assistant:

With regard to the subject assessment conference call, I would like to: (1) make a corrections to my contact information, from that indicated in the letter sent out from the Ninth Circuit Court of Appeals Clerk's Office under Ms. Sanchez' signature, filed August 30, 2002, (2) indicate a different telephone number where I can be reached for the September 24th call (as I will be traveling away from my office), and (3) add a party for the September 24th conference call.

First, the telephone number listed in the August 30th letter for me (on the attachment to the Court's August 30th letter, next to County of San Luis Obispo) is my facsimile number instead of my office telephone number. My office and facsimile numbers are correctly listed at the bottom of this letter.

Second, on September 24th, I will be in Los Alamos, New Mexico, and I can be reached at 11:00 a.m. (Pacific Time) at the following number for the assessment conference call: (505) 661-2620.

Third, can you please add my client's legal representative to the September 24, 2002 11:00 a.m. call: James B. Lindholm, Jr., Esq., who can be reached at (805) 781-5400.

I look forward to a productive call with the Ninth Circuit's Mediator and with the U.S. Nuclear Regulatory Commission's representatives on September 24, 2002.

Sincerely,

Robert K. Temple
Attorney for the County of
San Luis Obispo
