MEMORANDUM TO: Janice Dunn Lee, Director
Office of International Programs

FROM: Annette L. Vietti-Cook, Secretary /RA/

SUBJECT: STAFF REQUIREMENTS - SECY-03-0119 - PROPOSED
LICENSE AMENDMENT TO EXPORT NUCLEAR GRADE
GRAPHITE TO VARIOUS COUNTRIES FOR NON-NUCLEAR
END USE (XMAT0400/02)

The Commission has approved issuance of the proposed license amendment to Poco Graphite, subject to the four specific recommendations by the staff and the inclusion of the following additional condition requested by the Executive Branch:

The license should be conditioned to limit re-exports by Singapore to manufactured non-nuclear articles or general license quantities of bulk graphite.
