SUBJECT: SUMMARY OF JULY 16, 2003, MEETING WITH INDUSTRY AND THE
NUCLEAR ENERGY INSTITUTE TO DISCUSS RADIATION SAFETY
CORNERSTONES

On July 16, 2003, Nuclear Regulatory Commission (NRC) staff met with a representative of the Nuclear Energy Institute (NEI) in a public meeting at NRC headquarters in Rockville, Maryland. At this meeting, the staff discussed its planned participation in a panel at a Health Physics Forum August 3-6, in San Diego, California and also draft changes to Appendix C of Manual Chapter 0609, "Occupational Radiation Safety Significance Determination Process (SDP)". Meeting attendees are listed in Attachment 1. The draft changes to Appendix C are in Attachment 2, ADAMS Accession # ML032020455.

At the Health Physics Forum, the staff plans to present a perspective of the SDP and how past changes have been incorporated. The staff also plans to discuss how the past work and the ongoing work have contributed to a period of stability for the SDP. The staff will participate in some of the breakout sessions.

Roger Pedersen, of the NRC, provided a redline\strikeout markup of draft changes to Appendix C of Manual Chapter 0609. NEI discussed the draft changes and agreed they were appropriate.

Having completed discussion of all items, the meeting was adjourned.
