N.R.C.

Dear Chairman Diaz,

It is time you declare an emergency
+ close Indian Point. We live in N.Y.C.
+ Dutchess Co. The threat hangs over
us + we are all subject to a health +
safety plan that fails to adequately protect
us.

It is also critical that Entergy secure
the vulnerable "spent" fuel rods. It's time
to act — the studies have been done by
James Lee Witt.... The time is now, while
we're healthy + alive to do it.

Sincerely—

Joel + Kate Kopp
