

ATTACHMENT 5

NOTE TO USERS

This attachment contains staff responses available as of August 8, 2003 to public comments made on draft RS-002. The following are included:

1. NRC staff response dated 6/23/03 to comments from the Nuclear Energy Institute (NEI) dated 3/31/03.
2. NRC staff response dated 6/23/03 to comments from Exelon Generation Company LLC dated 3/31/03. (Enclosure to staff response to Exelon is not included because it is identical to the enclosure to the response to NEI.)
3. NRC staff response dated 6/23/03 to comments from Entergy Nuclear, Inc. dated 3/31/03. (Enclosure to staff response to Entergy is not included because it is identical to the enclosure to the response to NEI.)
4. NRC staff response dated 8/4/03 to comments from NEI dated 6/13/03.

The staff is working to finalize responses to two additional sets of comments, from Paul Gunter and Sandra Lindberg. Should a final determination be made that changes to RS-002 are needed to address these comments, the staff will be so advised.
