Albuquerque, NM 87190

Dear Ms. Nelson:

**SUBJECT: MODIFICATION NO. 4 TO TASK ORDER 3 UNDER CONTRACT NO.
 NRC-26-93-290**

The subject task order expired on June 24, 1994 and therefore, the U.S. Nuclear Regulatory Commission (NRC) is initiating closeout action under the subject contract. However, pending completion of all closeout requirements, it is necessary to deobligate excess funds remaining under this task order for other immediate agency requirements.

As a result, the NRC is deobligating excess funds in the amount of \$315.92 from the subject task order thereby reducing the ceiling amount from \$94,062.92 to \$93,747.00. The amount of \$89,557.00 represents the reimbursable costs and the amount of \$4,190.00 represents the fixed fee.

The accounting data for Task Order 3 is as follows:

B&R No:	411-15-105-182
APPN No:	31X0200.824
Job Code:	R1106
BOC Code:	2542
Amount Deobligated:	\$315.92

The issuance of this task order modification does not amend any other terms or conditions of the subject contract.

Acceptance of this task order modification should be made by having an official authorized to bind your organization, sign three copies of this modification and return two copies to the address below. The third copy may be retained for your records.

U.S. Nuclear Regulatory Commission
