ALL AGREEMENT AND NON-AGREEMENT STATES

PROGRAM DIRECTORS WILL RECEIVE NRC PRESS RELEASES (STP-03- 060)

This is to inform you that beginning today, August 11, 2003, we will send advance copies of all U.S. Nuclear Regulatory Commission (NRC) press releases to each State Radiation Control Program Director (RCPD). Currently, we strive to provide copies to each State Liaison Officer one hour prior to release by the NRC. We are adding the RCPDs in the interest of further improving communications. NRC press releases announce a wide range of information, including new rulemaking, public meetings, and enforcement actions.

If you have any questions regarding this correspondence, please contact me at (301) 415-3340, or the individual named below.
